

# KEEPING UP WITH THE KEYCHAIN

So many passwords stored in the keychain — ripe for the decrypting! It sounds like we'll need to add a key bit of info to password hints to figure them out. But watch out for any mischief!

## Password Hints

- Before gravity or matter, perhaps (4)

Similar, like (2)

Guevara nickname (3)

King or Corleone (3)

Amusement, or a type of house (3)
