

Continuing on, you come to a large hall that looks like it might have been used for some sort of ritual. One wall displays a mysterious carving.

A prior expedition has explored this chamber. You take a look at their records - and with a bit of rearrangement, you get back on the right track.

=====

Might be done after rising:
Just released:
Bothersome Blattodea buzz:
Virgo, or Helen Gurley Brown:
Hickok (as compared to Tutt):
